Istruzioni per l'applicazione delle decalcomanie. Ritagliare le decalcomanie occorrenti dal foglio, immergerle in un bicchiere di acqua pulita per circa 20", metterle in posizione sul modello e farle una pezzola pulita.

Direction for applying the decals: cut the required decals out of the sheet; dip the into a glass of clean water for about 20"; position the decals on the kit, letting them slide from the paper. For a better adhesion, press them by means of a clean rag.

Riktning för decal: klipp ut den decal som skall användas och doppa den i ett glas vatten under en 20". Sätt decalen på plats på modellen och låt den sakta glida av pappret. För att den skall sitta ordentligt, tryck till med en torr duk.

Anweisungen für Abziehbilder-Anbringung: Die benötigten Abziehbilder vom Blatt abscheiden, in ein Glas reines Wasser für etwa 20" eintauchen, auf das Modell legen und dann vom Papierbogen abnehmen. Um eine bessere Haftung zu erzielen, die Abziehbilder mit einem reinen Tuch andrücken.

Instruction pour l'application des décalcomanies. Couper les décalcomanies choisies et les plonger environ 20" dans un peu d'eau propre. Les placer sur le modèle en les faisant glisser de leur feuille et presser avec un morceau de chiffon pour éliminer les bulles d'air.

Istrucciones Para la aplicación de las calcomanías: cortar las requeridas, sumergirlas en un recipiente de agua limpia durante 20"; colocar las calcomanías sobre el modelo, haciéndolas deslizar sobre el papel. Para una mejor adherencia, presionarlas con un trapito limpio.

Transfers: knip het benodigde deel uit, dempel et ca. 20" onder water, duid het transfer tegen het model en schuif het vanaf het papier op zijn plaats. Met een schoon doekje aandrukken.

Transfer: klijp het benodigde deel uit, dempel et ca. 20" onder water, duid het transfer tegen het model en schuif het vanaf het papier op zijn plaats. Met een schoon doekje aandrukken.

Указание по применению декалей: Отделите нужную вам часть декалей от общего листа, погрузите ее на 20" минуты в чистую воду; затем, выложив на подготовленное место на модели, переводящий груз осторожно, сдвинув его с бумажной основы. Для лучшего прилипания промажьте декаль чистой тряпочкой.
